MS and Wounded Warrior Project Big Winners at Bartram Trail Golf Club in April

Bartram Trail Golf Club proved once again that we have a very benevolent membership, along with a tremendously supportive community here in Columbia County as two tremendous charity tournaments raised nearly \$5,000 for two extremely worthwhile charities in April.

Wounded Warrior Project Tournament Director, Maria Henry with members of our military that volunteered at the event

Maria wants to thank all of the Bartram Trail members who came out to support her tournament that began as her senior project as Augusta State University, but grew to be much, much more, as she was able to raise over \$1,900 for the Wounded Warrior Project.

Terri Zeyfang and Susan Skadan at the MS Walk in Augusta

One week later, Bartram Trail was at it again as the "Walkin' and Golfin' for MS and Cathy" tournament was staged at Bartram Trail. The tournament was not just a fundraising golf tournament, it also included a team of friends rallying around a friend and his family who are battling the dreaded disease. Cathy Ozden, the wife of Bartram Trail G.C. member Brian Ozden, has been battling MS for a number of years. Last year Brian organized a team of walkers, and golfers to raise money for a cure.

This year, we were at it again, and combined, the walk and golf tournament raised over \$3,000 for MS! Nice Job, Bartram Trail...

Superintendent's Corner... From Jeff Lloyd

"...we'll be aerating on May 20th, and adding fertilizer as well..."

What's Happening on the course in May...

- We will be punching holes on May 20th so hopefully the weather will not let me down.
- We will also be applying a fertilizer application to the entire course, so look out for some tougher shots out of the rough this summer.
- We'll be fixing the washed out cart paths, and mowing the native areas around the golf course as well
- As always, as the weather warms up be on the lookout for snakes in the areas surrounding the course. If you hit into woods, or areas near Euchee Creek, bring a club with you...always while you hunt for errant golf balls.

On the Homefront

- If you have not put down fertilizer for your lawn, now is the time, and if you have, just sit back and enjoy your hard work.
- If you need help with your yard, contact me at the office (706) 21—4682.

TIPS FROM THE PROS

“KEYS TO A SUCCESSFUL PUTTING STROKE...”

1. Body weight is not on the heels or the toes, but on the middle of the feet
2. The position of your head should be directly over the ball or behind the ball slightly, but never in front of the ball (that is between the ball and the hole)
3. Feet, hips and shoulders should be aligned at your target not the hole
4. A good putter always accelerates his or her putter through the ball, this makes the ball roll with a consistent pace and line.

Keeping these keys in mind should decrease your number of three-putts and increase your birdies!

BARTRAM TRAIL
SENIOR MEN'S GOLF ASSOCIATION
TUESDAY'S SENIOR MOMENTS...

By: Larry Nichols For May 2009

This month the seniors skipped the first Tuesday, which was Master's week and got rained out the second Tuesday. On that second Tuesday we had 70 dedicated golfers show up even though the weather forecast was iffy. We teed off and got in anywhere from 2 to 4 holes before the rain and lightning started and cancelled the days play. The most disappointed golfer was George DeGraff. George started on number 9 and eagled the hole. He was looking forward to a great day and two holes later it was done.

We did play the following week and the team of Willie Hutto, Don Head and Domenick Testi won first place. Don Head, as well as being on the first place team also won best performance by pulling 39 points and won a closest to the pin. He picked up a cool \$70 for this trifecta. We had 90 players that day, 88 paid players, and the kitty was fat; his timing was perfect. Don is one of our most faithful members. Born and raised in Brunswick, Ga he came to Augusta many years ago to go to work for Babcock and Wilcox. Now retired at the relatively young age of 63, he qualifies as one of our limber back members. Good playing Don; keep it up. Carl Pilcher eagled number 6 that day also. Number 6 is not where you would normally think eagle but Carl is another of our limber backs and a good golfer. He nearly drove the green and chipped it in for a routine eagle. On the last Tuesday of the month the guys went wild. Ed Brown shot a 69, Bob Wolfe shot a 73 and those two combined with Bill Lewis and Jerry Hottle for the winning team score of +28. Bob was plus 14 himself and Wayne Wiggins was plus 10. David Williams, playing with us for only the second time had two birdies and eagled 17. Some pretty good playing.

Jeff Lloyd and crew have the course in great shape, weather is turning around and our turnout keeps growing. We did welcome some new members this month; Vince Dwan, Domenick Testi (he didn't waste any time getting into the winners circle) and David Williams. Welcome to the organization men.

So far this year we have had 7 golfers win over \$100; they are Charles Doolittle, John Carney, George Greiner, Ron Engvoldsen, Tom Paris, Bill Patterson and Jim Walsh. I feel certain that when this weeks stats are compiled that Don Head will probably join that group. The player of the year competition is currently led by Jim Walsh with 56 points, closely followed by Tommy Slay, Hardy Wylie and Bob Wolfe all with 50 points or more. The year is young yet and I am sure the lead will change hands a number of times throughout the year. Our hole-in-one pot is up to \$590. It is about time for somebody to make one. Bruce Williamson is out of town Tuesday next and that is usually when somebody makes one.

One event of note this month was the Golf for the Wounded Warrior Project Tournament sponsored by Maria Henry. Maria, wife of Assistant Pro Lee Henry, sponsored the tournament for a senior class university project and reports the tournament was a great success and raised significant money for the Wounded Warrior Project. Our group sponsored two holes; one was sponsored by Don Autry in our name and one by the guys kicking in. We also had several teams in the tournament. Good job Maria! And kudos to those of you men who contributed or played for supporting such a worthy project.

Yabba Dabba Doo, What Do I Choose?

*By: Dee Ramp
Bartram Trail Golf Club*

Home is where the heart is and Bartram Trail is living proof of that. We have so much junior talent coming out of our club, they are getting recognized just about everywhere they play. That brings me to the topic of choice this month. There is the SJGT, Georgia Junior Golf Tour, AJGA, AJGA tours, and local courses hosting junior events throughout the summer and now we have a new tour to choose from. The Augusta Junior Golf Magazine is hosting their first ever magazine tour. Dates of the event are from May thru December and the age groups are same as most of the local courses ranging from 8 and under up to 18. Keep an eye of this tour and register on line to play in some if not all of the events. One thing about the AJGM tour, all of the tournaments are local and cost for each event is \$25.00 and one of the events will be held at Bartram Trail and that date is July 23. For more information about this tour, go online and register at www.augustajuniorgolf.com or email augustajuniorgolf@comcast.net either way you will get connected.

The 2009 generation has all of the latest technology when it comes to club and club selection, shoes, hats, belts, pants/shorts, therefore I want to emphasize the importance of “dress to impress” not only for yourself but everyone around you. Set a good example, feel good about yourself and you will learn to love the “ground beneath your feet” whether it’s in the fairway, the bunker or on the green. To coin a phrase I have heard all my golfing life but don’t know who said it is “free the body and thrill the soul” shoot for that under par score you have been searching within yourself. If it’s there it will be forthcoming. Golf will always have compelling stories each and every time the game is played so play it to the fullest with the most dignity that is within you. Encourage each other, be kind, be upbeat, help look for a lost ball, enjoy bragging rights and don’t lose your focus in golf or in life and you will succeed. Come play Bartram Trail “where golf is seriously fun!”

Evans High's Jacob Tilton Takes Region Title Bartram Trail G.C. member fires 67 at Jones Creek

Jacob Tilton

HOW HE FARED: Aided by 30 on his first nine, Tilton shot 67 Tuesday at Jones Creek to win the Region 3-AAAA individual title. Tilton, an Armstrong Atlantic State signee, had the best score by six shots in a field that included four ACC or SEC signees. He missed a 6-foot uphill putt on No. 18 -- a shotgun start had him begin his round at No. 10 -- that would have been good for an opening 29. Tilton played with a bulky brace on his left ankle; he broke it three weeks ago playing basketball.

TILTON ON TILTON: "I didn't think I was going to be ready. I spent two weeks (bed-ridden) and was also on crutches. The week before region, I was able to hit golf balls again. Tried to work hard that last week. ... I got off to such a good start I was able to focus a little better. When you get off to a good start, it's easy to keep it going."

WHAT THEY'RE SAYING: "Jacob has as much natural ability as any golfer in the area. He's a great shotmaker that can hit any shot you think of. ... He's always been a bit emotional. (Tuesday) he was steady in a sense that he didn't come off as excited. I think that helped him, especially (on the last nine holes)." -- **coach Mike Bibee**

Greenbrier Wolf Pack Golf News

**GREENBRIER HIGH SCHOOL TAKES BOTH
TITLES AT THE OAKS COURSE IN
COVINGTON, GA**

As Kurt Aschermann, Jr., Sports writer of the Rock Dale Citizen Newspaper said, "It's always tough to defend a regional championship. It's even tougher to do it with an inexperienced team that's facing a juggernaut". He was talking about the Green Machine from Greenbrier High School who with unstoppable force shot a 292 to sweep the 2-A-A-A-A-A Region tournament. Second place team, Luella shot a 350.

Low medalist for the tournament was Bartram Trail Golf Club member, Cody Shafer of Greenbrier. All other four players whose scores counted for the Wolfpack are sophomores, except junior Kyle Hope. Greenbrier will play for State honors in Jekyll Island May 4.

Bartram Trail's Stephen Hill Named MVP of Greenbrier Middle School Golf Team

Congratulations to Bartram Trail's own Stephen Hill, who was named the MVP of the Greenbrier Middle School golf team. Stephen won the award for the second consecutive season.

Stephen will undoubtedly be a factor for the Greenbrier High School Wolf Pack golf team next season. It's hard to believe he's just an 8th grader. He's already a low single-digit handicap golfer with unlimited potential. Stephen is constantly challenging himself by playing in tournaments, and is even a regular in the Dawgfight on Saturday's to keep himself sharp. I hope he can find more Saturday Junior tournaments...he's wearing us out!
