## **Bartram Trail Club Championships Coming October 29 & 30th**

**Dear Bartram Trail Golf Club Members and Guests,**

**Please plan to participate in YOUR Club Championship October 29 and 30th. It will be a 36 hole stroke play event, flighted after the first round. We will have three divisions, Open, Senior and Ladies. We'll have food, beverages and of course, prizes! The cost to enter is just \$50.00 per person. Let's make this the biggest Club Championship ever!**

**I really appreciate all the members who stuck with us after we lost the greens last summer. I think everyone will agree it was a blessing in disguise. The new Mini-Verde greens, in my opinion, are wonderful and Jeff and his crew are doing a great job keeping them in shape for us. Please help by repairing additional ball marks on the greens.**

**On another note, if you have any junior golfers that would like to participate in a free golf tournament, the Columbia County Junior Championship will be held on October 9th & 10th. Please sign up in the Pro Shop. Tee times will begin at 11am on Sunday.**

**Once again, thanks for your support of Bartram Trail Golf Club.**

**Good Golfing,**

# Tee <sup>it</sup> FORWARD

PALM BEACH GARDENS, Fla. -- To help golfers have more fun on the course and enhance their overall experience by playing from a set of tees best suited to their abilities, The PGA of America and the United States Golf Association have partnered to support "TEE IT FORWARD," a new national initiative to be proposed for golf facilities nationwide.

TEE IT FORWARD encourages all golfers to play the course at a length that is aligned with their average driving distance. Golfers can speed up play by utilizing tees that provide the greatest playability and enjoyment. The program will be promoted this week, at the 72nd Senior PGA Championship presented by KitchenAid, and at both the U.S. Open Championship in June and the U.S. Women's Open Championship in July.

Simply put, TEE IT FORWARD can make golf much more fun for millions of people," said PGA of America President Allen Wronowski. "We believe that by moving up to another set of tees, golfers will experience an exciting, new approach to the game that will produce more enjoyment and elevate their desire to come back and play even more golf."

## TEE IT FORWARD

This chart is a guideline to help golfers align their average driving distance with the course length best suited to their abilities.

Driver Distance	Recommended 18-Hole Yardages
275	6,700-6,900
250	6,200-6,400
225	5,800-6,000
200	5,200-5,400
175	4,400-4,600
150	3,500-3,700
125	2,800-3,000
100	2,100-2,300

Barney Adams, the founder of Adams Golf, provided the concept that led to TEE IT FORWARD. By playing from forward tees, amateur golfers have the chance to play the course at the same relative distance as a touring professional would over 18 holes. The playing field is leveled by giving golfers the opportunity to play from distances that are properly aligned with their abilities.

With many more golfers hitting approach shots with 6- and 7-irons instead of hybrids and long irons, their chances for enjoyment increase. Also, playing from forward tees should result in fewer overall shots, shorter distance traveled on each hole, and potentially, fewer lost balls.

"The passion that golfers have for our game has the potential to be enhanced by the TEE IT FORWARD initiative," said Jim Hyler, president of the United States Golf Association. "This is an innovation that we think will appeal to golfers of all skill levels because it gives them a new challenge that better aligns with their abilities. We hope that TEE IT FORWARD will be embraced by players and golf facilities across the country."

TEE IT FORWARD is not necessarily about creating a new set of tees -- many facilities already have multiple tees in use every day. It is about changing the mindset of golfers in a positive way -- encouraging people to consider setting aside playing from 6,500-6,700 yards and moving up to a length of 6,000-6,200 yards or moving from 6,000-6,200 yards to 5,700-5,800 yards.

The 6,700-yard course that many amateur golfers play today is proportionally equivalent to a PGA Tour player competing on a course measuring 8,100 yards -- 700 yards or more longer than a typical PGA Tour layout.

Jack Nicklaus, who shares the record with Walter Hagen for most PGA Championship titles with five and also shares the U.S. Open record with four victories, is a proponent of TEE IT FORWARD.

"I love the game of golf but I will be the first to tell you that there are things about our game we need to improve," Nicklaus said. "Now The PGA of America and the USGA have come together to develop ways to that can make the game more attractive and more enjoyable. Tee It Forward is the first of many initiatives we have discussed together, and I think families around the country will enjoy alternate formats like this to make the game more fun.

"All of us deeply involved in the game constantly encourage golfers of all skill levels to play the proper tees, but too often golfers want to bite off as much of the golf course as they can. What ends up suffering is their scorecard and their overall enjoyment. This program should help stimulate people to play the proper tees and maximize the golf experience."

**“WHEN PLAYING AGAINST THE WIND, MOST PLAYERS TRY TO HIT THE BALL TOO HARD. THIS WILL PUT TOO MUCH SPIN ON THE BALL AND MAKE IT GO TOO HIGH. IF YOU WILL TAKE ONE, OR POSSIBLY TWO MORE CLUBS AND SWING EASY, THE BALL WILL GO LOWER AND LONGER.**

*“...We'll be raising our cutting heights so we'll have a good playing surface come February...”*

### **What's Happening on the course in October and November...**

Over the next few weeks we'll be raising our cutting heights on all of our “low mow areas” so that we can have a good playing surface come February. This does include the greens so that they will not get too fast during the winter. We will also be overseeding the tees in two weeks (October 17th start) with a ryegrass blend that we always use.

We also have a few projects to do this fall that will just about cover the entire golf course.

### **Homeowner Tips for October and November...**

*For the homeowners, you will need to get some pre-emerge out ASAP for poa control. Also, a winterizer, which is a fertilizer that has K or the third number on the bag. Scott's makes a pretty good product. Both of these products need to be watered in with either rain or irrigation. This should take care of your yards until the grass goes dormant.*

*Have a great time golfing at Bartram Trail,  
Jeff*
